

Bayern Munich's Road to the 31st Championship – and Schalke's Way Down

FC Bayern Munich is the champion of the Bundesliga season 2020/21 with incredible 2.29 points per match, more than 0.3 points more than the best chasers. RB Leipzig (1.91 points per match) was getting close several times but has lost the trace again in the last matches. FC Schalke 04, on the other hand, played one of their worst seasons ever scoring only 0.47 points per match.
